Re: COVID-19

During the current Province of Ontario State of Emergency declaration we are unable to provide updates on trail conditions @ SLBM Trails due to travel restrictions.

While there are no restrictions on use of the trails during the State of Emergency, travel to the trails is deemed to be a non-essential activity and thus prohibited.

Take heed! The Ontario Provincial Police (OPP) and municipal police forces have been empowered to enforce the travel restrictions during the period of the State of Emergency.

Do your part in helping to control the spread of COVID-19 — **JUST STAY PUT AT YOUR RESIDENCE.**
