

In memorium

Sharon Mahussier

former proprietor
Spectacle Lake Lodge

It is with sorrow that we learn of Sharon Mahussier's passing on 1 July 2026. She, along with her late husband Maurice, supported the creation and ongoing maintenance of the SLBM Trails. Sharon was an instrumental player in the promotion of tourism in the Madawaska region through her active participation on regional and provincial tourist authorities. She was also intimately involved and engaged in the Barry's Bay and Combermere communities in a personal capacity. May she rest in peace.
